

# Ashlee Zoe C. Gesite

Web Developer

Bohol, PH | 09952246271 | [ashgesite25@gmail.com](mailto:ashgesite25@gmail.com) | [Github](#) | [Linkedin](#) | [Portfolio](#)

## Education

---

### Philippine Coding Camp | May 2025

- Front End Web Developer Bootcamp
  - Best in Web Design Award

### PMI Colleges – Bohol | 2018 – 2021

Tagbilaran City, Bohol

- Bachelor in Science of Marine Engineering

## Experience

---

### Seafarer – Engine Cadet

Feb 2022 – Jan 2024

- Assist Senior Marine Engineers in troubleshooting and maintenance.
- Keep record of stocks of machinery parts, oil, tools and equipment.
- Recording and reporting of machinery parameters, maintenance schedules and work orders.

## Projects

---

### Secret Shop – E-commerce Platform | Bootstrap, React, Swiper.js, Firebase

- Developed a fully responsive and dynamic e-commerce interface with modern UI components using React and Bootstrap.
- Built modular, reusable components for homepage, product listings, and category filtering to enhance maintainability.
- Deployed the application using Firebase Hosting and managed product data through Firebase backend services.

### Ash – Blog Website | Tailwind, DaisyUI, React.js, Wordpress

- Designed and developed a technical blog website for showcasing Arduino projects.
- Built a clean, mobile-first UI using Tailwind CSS and DaisyUI for consistent, component-driven styling.
- Structured content for project tutorials, categories, and tags to improve navigability and SEO performance.
- Integrated a WordPress-based CMS for managing and publishing content dynamically via API.
